Un épagneul venait de se lever et, lentement, s'avançait vers son maître. Il marchait avec peine; son train d'arrière se mouvait d'une façon irrégulière, sa queue traînait sur le sol.

Au moment où la nourrice se précipitait dans la chambre, elle vit sa maîtresse penchée sur le bébé, comme pour lui mordre le cou. Et le fait est qu'il portait une blessure d'où le sang jaillissait.
