Chronology

Baring-Gould places the dating of the story as Thursday, November 19

to Saturday, November 21, 1896 making it 40th of the 60. This means that Holmes is 42 and Watson 44.

Christopher Morley Says

“The beautiful Peruvian wife of an English athlete (who played football against Watson) was suspected of being a vampire. She had sucked the blood of he own child. And why was the pet spaniel paralyzed? The best thing in the queer tale is Holmes’s method of indexing his scrapbooks.”

Dummies Short Summary

“When Bob Ferguson finds his mysterious South American wife sucking blood from the neck of their infant son, he fears he’s married to one of the undead.”

How Many Words
